This matter is before the Public Service Commission of South Carolina (the Commission) on the request of Mrs. Elvira E. Thompson (the Complainant) for a hearing to present her complaint against Southern Bell Telephone & Telegraph Company (Respondent). In prior Order No. 91-754 (August 30, 1991), the Commission held that a hearing would not be scheduled until such time as the Complainant permitted the Commission Staff and Respondent to test the Complainant's network facilities used to render telecommunications service to her residence. Complainant has now permitted the

Commission Staff and Respondent to conduct such tests.
Accordingly, the Commission hereby grants Complainant's request for
a hearing.
